ADMINISTRATIVE AND BUDGETARY COORDINATION OF THE UNITED NATIONS WITH THE SPECIALIZED AGENCIES AND THE INTERNATIONAL ATOMIC ENERGY AGENCY

Budgetary and financial situation of organizations of the United Nations system

Statistical report by the Administrative Committee on Coordination

1. This is the third report of its kind to be presented by the Administrative Committee on Coordination. Taking account of comments made during the discussion on the previous report (A/47/746), additional detailed data concerning assessed and voluntary contributions by State have been included to replace data that have, in the past, been provided to the Committee on Contributions. For this reason, data in tables 4 and 8 exceptionally cover the period 1991-1993. 1/

2. The data in the report are set out in tables, which may be grouped under the following three subject headings:

(a) Regular budgets and assessed contributions:

Table 1. Approved regular budgets (1986-1995): This table shows, for each of the organizations appearing in the report which has an assessed regular budget 2/ and for each of the years 1986 to 1995, the total amount of approved regular budget appropriations, including any supplementary estimates.

Table 2. Assessed contributions (1986-1995): This table shows, for each of the same organizations and the same years as in table 1, the total assessments payable by member States under approved regular budgets. Assessed contributions relating to extrabudgetary activities, such as certain peace-keeping operations of the United Nations, are not included.

/...

Table 3. Percentage assessments (1994 and 1995): This table shows, for each of the States members of the organizations in the preceding tables, the percentage amounts of the assessed contributions payable under approved regular budgets in 1994 and 1995.

Table 4. Assessments voted and received (1991, 1992 and 1993): This table shows, for each of the States members of the organizations in the preceding tables, the assessments payable under approved regular budgets, and, in the case of the United Nations, under peace-keeping, and the amounts collected in relation to current assessments and arrears in each of the years 1991, 1992 and 1993.

Table 5. Collection of assessed contributions (1992 and 1993): This table shows, for each of the same organizations as in the preceding tables, the percentage of the current year's assessed contributions under approved regular budgets that was collected at 30 June and at 30 September of the two most recent years for which such data are available (1992 and 1993). The table also shows by organization the total amount of all assessed contributions under approved regular budgets that were outstanding at 30 September of the same two years.

(b) Working capital funds:

Table 6. Working capital funds (1994-1995): This table shows, for each of the same organizations as in the preceding tables, the level of working capital funds in relation to the level of approved regular budget estimates for the period 1994-1995.

(c) Expenditure and receipts of voluntary contributions:

Table 7. Voluntary contributions: expenditure (1991, 1992 and 1993): This table shows expenditure of resources in cash and in kind outside approved regular budgets by each of the same organizations as in the preceding tables, and by organizations financed from voluntary contributions, 3/ in the years 1991, 1992 and 1993. Expenditure for all activities for which organizations are executing agents are taken into account except that, as in table 2, data relating to extrabudgetary peace-keeping operations are excluded.

Table 8. Voluntary contributions: receipts (1991, 1992 and 1993): This table shows voluntary contributions in cash and in kind received by each of the same organizations as in table 7, in the same years (1991, 1992 and 1993). Data are presented in two sections: section I: receipts by State, and section II: total receipts from other contributors.

3. The footnotes accompanying the tables in several cases not only clarify individual figures but also provide general explanations relevant to the scope and interpretation of the data presented.

Notes to table 1

a/ This table shows the amounts of the estimated expenditure actually approved under regular budgets plus any approved supplementary estimates, net of staff assessment. No adjustments have been made in the figures. Where the estimates approved make provision for an amount for an undistributed reserve, it is excluded from the figures, so that the comparisons relate to effective working budgets. Estimated expenditure for the support of extrabudgetary activities is included where and to the extent that it is integrated into the regular budget. Estimated budgetary reimbursements to accounts drawn upon to finance expenditure under the budget or supplementary authorizations are reported in the period of reimbursement. Figures for biennial budgets are divided into two equal annual amounts; supplementary estimates are reported according to the years to which they relate. Where budgets are denominated in a currency other than the United States dollar, the amounts reported are translated into the dollar at the United Nations operational rate of exchange at the end of each year, except for the 1994 and 1995 figures, which have been translated at the December 1993 rate. Rates used are as follows: (a) Swiss francs to the dollar (UPU, ITU, WMO, WIPO): 1986 - 1.68; 1987 - 1.36; 1988 - 1.44; 1989 - 1.61; 1990 - 1.27; 1991 - 1.43; 1992 - 1.44; 1993-1995 - 1.49; (b) dollars to pounds sterling (IMO, from 1988): 1988 - 1.72; 1989 - 1.56; 1990 - 1.97; 1991 - 1.77; 1992 - 1.51; 1993-1995 - 1.49.

b/ Provisional.

c/ Net of reimbursable expenditure.

d/ Under the split appropriation and assessment system introduced in 1986, footnote (f) to table 2 applies.

e/ Subject to approval by the General Conference.

Notes to table 2

a/ This table shows the amounts of assessed contributions actually payable by Governments to finance approved regular budgets and any supplementary estimates. No other financing is reported. Where organizations have an undistributed reserve, the corresponding amount of contributions is excluded from the figures. The effects of the operation of provisions concerning tax equalization funds are not taken into account. Except where stated otherwise, assessments under budgets denominated in currencies other than United States dollars are translated into dollars on the same basis as the budget appropriations (see table 1, footnote (a)). Differences between the amounts shown on this table and the total amounts shown on table 4 relate mainly to amounts actually assessed for tax equalization funds (which are included in table 4) and to contributions assessed on a member State that ceased to exist. In the case of IAEA, the difference relates to the valuation of Austrian shilling contributions in table 4.

b/ Provisional.

c/ Contributions are payable in Swiss francs under the assessment system introduced with effect from 1990. The rates involved (Swiss francs to the dollar) are: 1990-1991 - 1.75; 1992-1993 - 1.55; 1994-1995 - 1.45.

d/ The portion of contributions payable in French francs under the split-assessment system introduced in 1988 is calculated at the following French franc-dollar exchange rates: 1988-1989 - 6.04; 1990-1991 - 6.40; 1992-1993 - 5.75; 1994-1995 - 6.45. The current figure is subject to variation according to operational exchange rates between the two currencies.

e/ At the following Austrian shilling-dollar exchange rates under the split-assessment system introduced in 1988: 1988-1989 - 12.20; 1990 - 12.90; 1991 - 11.20; 1992 - 11.30; 1993 - 12.00; 1994-1995 - 12.90. The current figure is subject to variation according to operational exchange rates between these two currencies.

f/ At the following Austrian shilling-dollar exchange rates under the split appropriation and assessment system introduced in 1986: 1986-1987 - 19.50; 1988 - 14.20; 1989-1991 - 12.70; 1992 - 10.90; 1993 - 12.70; 1994-1995 - 12.70. The current figure is subject to variation according to operational exchange rates between these two currencies.

g/ Subject to approval by the General Conference.

Notes to table 3

a/ A dash (-) opposite the name of a country indicates that it is not a contributor to the organization under the scale of assessments.

b/ The 1995 scale of assessments will be decided by the General Assembly at its forty-ninth session.

c/ The rates of assessment are not percentages but portions of a scale adding to 69.92. The 1995 scale is dependent on that to be decided by the forty-ninth session of the General Assembly of the United Nations.

d/ 1995 rates of assessment are provisional.

e/ Owing to special principles of assessment applicable to the safeguards component of the regular budget, the final scale is to three decimal places rather than two. The 1995 scale is subject to approval by the General Conference.

Notes to table 7

a/ This table covers expenditure in cash of resources provided outside assessed regular budgets (for which see table 1). It also contains the value of expenditure in kind when this is included as expenditure in organizations' financial statements (see relevant notes). Resources channelled by funding organizations within the system to international financing institutions and to bodies outside the system are reported by the funding organization. Subject to this exception, all expenditure is reported by the executing organization in order to avoid double counting. Expenditure on support costs for technical cooperation activities is included to the extent that it is not integrated into regular budget expenditure estimates. Expenditure incurred in currencies other than United States dollars has been translated into dollars at the exchange rates judged most appropriate by the organizations concerned.

b/ Taking into account note a/, figures include expenditure in respect of United Nations trust funds, UNFICYP prior to 16 June 1993 (after which period it was financed from special assessments), the United Nations Environment Programme (UNEP), the United Nations Institute for Training and Research (UNITAR) (including UNITAR Special Purpose Grants Fund), the United Nations Centre for Human Settlements (Habitat) (United Nations Habitat and Human Settlements Foundation and the International Year of Shelter for the Homeless), the United Nations Conference on Trade and Development (UNCTAD)/General Agreements on Tariffs and Trade (GATT)) International Trade Centre (ITC), and the United Nations University (UNU). Excludes peace-keeping operations financed from special assessments and regular budget.

c/ Does not include write-offs of pledges and other items.

d/ See note e/ to table 8.

e/ See note g/ to table 8.

f/ See note h/ to table 8.

g/ Includes expenditure in kind of $749.1 million in 1991, $909.9 million in 1992 and $717.3 million in 1993.

h/ Excludes the Pan-American Health Organization (PAHO), the International Agency for Research on Cancer (IARC) and other internal WHO funds.

i/ The figures shown apply to the bienniums 1990-1991 and 1992-1993 respectively; annual figures are not available as the organization operates on a biennial basis.

Notes to table 8

a/ This table covers contributions provided outside assessed budgets (for which see tables 2 and 4). It also contains the value of contributions in kind when these are included as income in organizations' financial statements (see relevant notes). Section A contains contributions from States and section B shows the total contributions from other contributors. Contributions received in currencies other than United States dollars have been translated into dollars at the exchange rate judged most appropriate by the organizations concerned.

b/ Figures include voluntary contributions to UNFICYP and to other peace-keeping operations financed from special assessments and regular budget.

c/ Includes technical cooperation trust funds and counterpart contributions.

d/ 1993 figures include January to June only. In addition, contributions to special purpose grants funds are reported in section B (Other contributors).

e/ UNICEF does not record contributions in kind as part of regular income. The above figures therefore do not include contributions in kind valued by donors at $9.4 million in 1991, $24.5 million in 1992 and $11.9 million in 1993.

f/ Excludes income from greeting cards and related operations.

g/ Includes contributions in kind of $63.6 million in 1991 and $82.7 million in 1992-1993.

h/ Includes contributions in kind of $66.6 million in 1991, $145.1 million in 1992 and $304.3 million in 1993.

i/ Includes contributions in kind of $745.7 million in 1991, $910.4 million in 1992 and $716.8 million in 1993.

Annex

Letter dated 27 October 1994 from Mr. Osman Ertuğ addressed to the Secretary-General

Upon instructions from my Government, I have the honour to refer to the letter dated 20 October 1994 addressed to you by the Greek Cypriot representative (A/49/561-S/1994/1192). The letter, among other things, contains allegations regarding "violations of the airspace of the Republic of Cyprus".

In response to these oft-repeated allegations of the Greek Cypriot side, I wish to reiterate at the outset that the airspace over Northern Cyprus is under the control and jurisdiction of the Turkish Republic of Northern Cyprus, and the Greek Cypriot usurpers of the seat of government have no right of say over who will use this airspace and how, with the full knowledge and consent of the State. Complaints such as those contained in the said letter are, therefore, designed purely for propaganda purposes and in order to divert attention from the recent augmentation of the militarization efforts in southern Cyprus; the Greek Cypriot side's holding of joint military exercises with Greece in the context of the "joint military doctrine", as well as its provocative and hostile activities at home and abroad.

In this connection, I wish to refer to my previous letter dated 8 August 1994 (A/48/981-S/1994/953), in which the militarization campaign of the Greek Cypriot side and its political implications are dealt with in greater detail. It is regrettable that alarming new developments have taken place since that time involving the actual implementation of the Greek-Greek Cypriot "joint military doctrine" and other destructive activities detrimental to the negotiating process.

1. In the first week of this month, full-scale military exercises were carried out jointly between Greece and the Greek Cypriot administration, in which Greek Air Force bombers and F-16 fighters as well as the Greek Navy also took part. The exercises, code-named "Nikiforos-94", which were described by the Greek Ambassador in southern Cyprus as "the actual implementation of the joint military doctrine", caused public exhilaration and an outpour of chauvinistic sentiments in the south, while they were viewed with concern on the Turkish Cypriot side as new evidence of potential Greek Cypriot adventurism.

2. On the heels of these exercises, plans were announced to boost significantly the active strength of the Greek Cypriot 'National Guard" by adding no less than 5,000 new personnel to its ranks, including mercenaries from Greece and other countries. The announcement was made by no lesser a person than the Defence Minister of Greece, Mr. Yerasimos Arsenis, who indicated that the hiring of professional soldiers would start before the end of the year pending relevant legislation in the Greek Cypriot House of Representatives, and boastfully declared "Cyprus will soon be part of the strong defence chain of Hellenism" (see the Greek newspaper Apoyevmatini of 11 October 1994).

3. On 16 October 1994, Greek Cypriots staged demonstrations in the Güzelyurt (Morphou) area and violated the buffer zone. Another violation of the buffer zone took place on 23 October 1994 in the Haspolat area, on the outskirts of Nicosia. Evidence is abundant that the demonstrators were provoked by the Greek Cypriot leadership.

In a message he sent to the first demonstration as reported on Greek Cypriot public radio on 16 October 1994, Mr. Glafcos Clerides, the Greek Cypriot leader, made a dramatic confession by stating "in the present conditions, we are not ready to make peace. Everybody should know this".

The second incident was attended by Mr. Adamos Adamides, the Greek Cypriot Communications Minister, who openly provoked the demonstrators to enter into the buffer zone. Both Mr. Clerides and Mr. Alexis Ghalanos, the Greek Cypriot House President, sent messages to the demonstration, at which anti-Turkish slogans were uttered.

4. Outside Cyprus, the Greek Cypriot administration has continued its anti-Turkish rhetoric and efforts to tighten the inhuman embargo it has imposed on Northern Cyprus and its people. At a time when the ill effects of the ban on Turkish Cypriot exports through the decision of the European Court of Justice are still weighing heavily on both the Turkish Cypriot economy and the confidence-building measures process in Cyprus, the Greek Cypriot press is reporting that the Greek Cypriot side is preparing another application to the European Court of Justice, this time to ban the use and promotion of hotels and tourist establishments in Northern Cyprus (see Greek Cypriot daily Filelefteros of 1 October 1994).

Earlier this month, the Greek Cypriot side attempted to exploit the Plenipotentiary Conference of the Interactional Telecommunication Union (ITU) held in Kyoto, Japan, between 19 September and 14 October 1994 in order to cut off the telecommunications links of Northern Cyprus with the outside world. There are reports that the Greek Cypriot side is also endeavouring to put a ban on air flights to Northern Cyprus, through representations with the International Air Transport Association (IATA) and the International Civil Aviation Organization (ICAO).

The devastating effects on the prospects for confidence-building and overall solution of these hostile activities, which have assumed the proportions of an all-out international campaign against the people of Northern Cyprus, are so clear as to require no elaboration. Coming, as they did, at a time when the two leaders were about to meet in Cyprus in order to find a way out of the current impasse, created by the Greek Cypriot side itself, they attest to the lack of sincerity on the part of the Greek Cypriot side in so far as confidence-building and a negotiated solution are concerned. It is earnestly hoped that such hostile activity will cease and its negative effects will be reversed in the interest of the successful outcome of the continuing dialogue between the two leaders in Cyprus.

I shall be grateful if the present letter is circulated as a document of the General Assembly, under agenda item 51, and of the Security Council.
